THURSDAY, JUNE 17, 1897.

Senator McLaurin has been  
assigned to the committees on  
claims, coast defenses, immigra-  
tion, Indian affairs, and interna-  
tional exposition in the U. S.  
Senate.

What town in the State can  
make a better showing in the way  
of educational facilities than  
Kingstree? And what school in  
the State can show such marked  
improvement as ours? All honor  
to the principal and his accom-  
plished assistant.

It is said that congressman  
Bailey, the young leader of the  
Democracy in the House, fully  
agrees with Senator McLaurin on  
the cotton tax, and will use every  
effort to have the House accept  
the amendment to the tariff bill  
passed by the senate.

We have received the initial  
number of the Beaufort Gazette,  
an 8 column weekly paper pub-  
lished at Beaufort, S. C. Mr.  
Wm. Elliott, Jr., is the editor,  
and his salutatory bespeaks a  
brilliant future for him in the  
journalistic field. The Gazette  
has our best wishes for its suc-  
cess and prosperity.

Ex-governor John Gary Evans  
visited Senator Tillman in Wash-  
ington last week. It is said for the  
purpose of securing the Senator's  
support in the coming senatorial  
primary. Senator Tillman says  
that he will maintain strict neu-  
trality in the fight. There seems  
to be very little doubt that Mr.  
Evans will be a candidate.

The Abbeville Press and Ban-  
ner of last week said: "The lo-  
cal dispensary averaged about  
\$70 per day on liquor sales last  
week. Saturday the sales reached  
\$141; Monday, \$144; Tuesday  
\$117." That does pretty well for  
an institution that has received  
so many "death-blows." What  
other business is paying so well.

The first open barroom owned  
by an individual that has done  
business in South Carolina for  
nearly four years was opened by  
an ex barkeeper in the city of  
Charleston last week. The only  
difference in the way the business  
is now carried on and the way it  
was carried on prior to the enact-  
ment of the first dispensary law,  
is that the private grog-shops now  
conform to certain rules of the dis-  
pensary—early closing, only sell-  
ing in sealed packages, and to per-  
sons over 21 years, and other reg-  
ulations. The State must now  
"back" opposition in the whiskey  
business.

State Chairman Thompkins has  
called a meeting of the State  
Democratic Executive Committee  
to meet next Tuesday, June 22nd  
for the purpose of arranging for a  
senatorial campaign and primary,  
and to order a primary election  
for a Congressman from the Sixth  
District. The only announced  
candidates for the two positions  
are McLaurin for the Senate and  
Johnson for Congress, but the  
probabilities are that there will  
be others—but none better.

The "original package" man  
will soon be located in every  
town in the State.

President E. B. Craighead and  
two professors of Clemson Col-  
lege have resigned.

## Why take Johnson's Chill & Fever Tonic? Because it cures the most stubborn case of Fever in ONE DAY.

"There's no use in talking," says  
W. H. Broadwell, druggist, La  
Cygne, Kas., "Chamberlain's Colic,  
Cholera and Diarrhoea Remedy  
does the work. After taking med-  
icines of my own preparation and  
those of others, I took a dose of  
Chamberlain's and it helped me; a  
second dose cured me. Candidly  
and conscientiously I can recom-  
mend it as the best thing on the  
market." The 25 cent size for  
sale by Dr. W. L. Wallace, drug-  
gist.

### Complications:

The present political compli-  
cation in the Sixth Congressional  
District presents rather a novel  
situation. If Norton is elected,  
who will fill Norton's place as  
Comptroller General? If J. M.  
Johnson is elected, who will be  
Solicitor of the Fourth Judicial  
Circuit? If D. W. McLaurin,  
who will fill his position on the  
Sinking Fund Commissioners? And  
last, but not least so far as pos-  
itions are concerned, there is W.  
D. Evans, who fills the office of  
Railroad Commissioner, and there  
are others.—Marion Star.

Mr. Isaac Horner, proprietor of  
Burton House, Burton, W. V., and  
one of the most widely known men  
in the State was cured of rheuma-  
tism after three years of suffering.  
He says: "I have not sufficient  
command of language to convey  
any idea of what I suffered, my  
physician told me that nothing  
could be done for me and my friends  
were fully convinced that nothing  
but death would relieve me of my  
suffering. In June, 1894, Mr. Evans  
then salesman for the Wheeling  
Drug Co., recommended Cham-  
berlain's Pain Balm. At this time  
my foot and limb were swollen to  
more than double their normal  
size and it seemed to me my leg  
would burst, but soon after I began  
using the Pain Balm the swelling  
began to decrease, the pain to leave  
and now I consider that I am en-  
tirely cured. For sale by Dr. W.  
L. Wallace, Druggist.

The New York World says "the  
financial condition of the Union  
has not improved a particle and  
the discontent of the people has  
increased, and justly increased.  
The great Republican majorities  
of last summer are melting like  
snow under a summer sun. If  
Bryan were running against Mc-  
Kinley to day he would sweep  
the country.

Taking it year in and year out,  
the coldest hour of each twenty-  
four is 5 o'clock in the morning.

## Depression of Spirits

so common in summer-time,  
accompanied by loss of energy,  
lack of thought-power, means  
a deficient supply of nourish-  
ment. The vital force is lost.  
It isn't a question of muscle and  
sinew, but of resistance and  
endurance. At any age, but  
especially in youth, it involves  
the risk of lung disease. Loss  
of flesh and a cough are threat-  
ening signs.

## Scott's Emulsion

of Cod-liver Oil, with the hypo-  
phosphites, meets these cases  
perfectly. It tones up, fattens  
and strengthens.

In Scott's Emulsion the taste  
of the oil is fully disguised,  
making it almost as palatable  
as milk.

A. H. Patter, with E. C. Atkins  
& Co., Indianapolis, Ind., writes:  
"I have never before given a testi-  
monial in my life. But I will say  
that for three years we have never  
been without Chamberlain's Colic,  
Cholera and Diarrhoea Remedy in  
the house, and my wife would as  
soon think of being without flour  
as a bottle of this Remedy in the  
summer season. We have used it  
with all three of our children and  
it has never failed to cure—not  
simply stop pain, but cure absolute-  
ly. It is all right, and anyone who  
tries it will find it so." For sale by  
Dr. W. L. Wallace, druggist.

Colorado, Washington and Wy-  
oming papers are seriously dis-  
cussing the question, "What to do  
with our horses." One of their  
papers on this subject says:

"Horses have become so worth-  
less that they can be purchased  
for 50 cents to \$2 a head; and no-  
body wants them at that. They  
have become so numerous on the  
ranges of eastern Washington that  
they are now regarded much as  
wild animals, which deprive val-  
uable sheep and cattle of the  
provender needed for them. In  
time, if the number increases, they  
will become sport for the hunter,  
and the question may very pro-  
perly arise whether their flesh is  
not as wholesome and nutritious  
as that of deer.

## Quinine and other fe- ver medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

It is said that there is now one  
telephone in the United States to  
every one hundred, and ninety two  
of the population, and the number  
is daily increasing.

### No Cure, No Pay.

That is the way all druggists  
sell Grove's Tasteless Chill, Tonic  
for Chills and Malaria. It is simply  
Iron and Quinine in a tasteless  
form. Children love it. Adults  
prefer it to bitter, nauseating Ton-  
ics. Price, 50c.

It is cheaper to make a good road  
than to make a bad one. The money  
expended on the wear and tear  
of your wagons, horses and harness  
is enough to make a good road.

Several parties around Kingstree  
purchased the Columbian Ency-  
clopedia when the agent was here  
last, and every set has given satis-  
faction. —adv

## Johnson's Chill and Fe- ver Tonic is a ONE-DAY Cure. It cures the most stubborn case of Fever in 24 Hours.

"Pass Senator Tillman the sug-  
ar, Jane, and hand him an extra  
spoon," said the smiling landlady.  
"I take my tea straight, mad-  
am," thundered the incensed  
statesman, "and I stir it with a  
fork."—Cleveland Plain Dealer.

## Johnson's Chill and Fe- ver Tonic is a ONE-DAY Cure. It cures the most stubborn case of Fever in 24 Hours.

There are 25 railway tunnels in  
England between one and two  
miles long, four over two miles,  
two just three miles, and one the  
Severn, on the Great Western rail-  
way, is over four and one-half  
miles long.

Preachers can tell others about  
the Christian religion; theologians  
can explain it to others; but only  
a holy life can show it to others.  
Christ showed his religion to the  
multitudes so clearly, so convinc-  
ingly by His holy life, that they  
could see and feel it.

## JOHNSON'S CHILL AND FEVER TONIC

Cures Fever  
In One Day.

It is useless for Senator Till-  
man to introduce the dispensary  
question into the United States  
Senate. We believe that the  
United States Supreme Court  
will sustain Judge Simonton, and  
that will settle the matter so far  
as the exclusive right of the  
State to sell liquor is concerned.

In truth, we should heave a  
great sigh of relief to see an end  
of it all, and the best ending  
would be a sweeping of the dis-  
pensary law from the statute  
books of our State and the en-  
actment of laws prohibiting the  
sale of that which has caused  
more trouble than anything else  
on the top side of the earth—in-  
toxicating liquors.—Chester Bul-  
letin.

### How To Find Out.

Fill a bottle or common glass  
with urine and let it stand twenty-  
four hours; a sediment or settling  
indicates an unhealthy condition  
of the kidneys. When urine stains  
linen it is positive evidence of kid-  
ney trouble. Too frequent desire  
to urinate or pain in the back, is  
also convincing proof that the kid-  
neys and bladder are out of order.

### WHAT TO DO.

There is comfort in the knowl-  
edge so often expressed, that Dr.  
Kilmer's Swamp-Root, the great  
kidney remedy fulfills every wish  
in relieving pain in the back, kid-  
neys, liver, bladder and every  
part of the urinary passageway. It  
corrects inability to hold urine  
and scalding pain in passing it, or  
bad effects following use of liquor,  
wine or beer, and overcomes that  
unpleasant necessity of being com-  
pelled to get up many times dur-  
ing the night to urinate. The  
mild and the extraordinary effect  
of Swamp-Root is soon realized.  
It stands the highest for its won-  
derful cures of the most distress-  
ing cases. If you need a medi-  
cine you should have the best.  
Sold by druggist, price fifty cents  
and one dollar. You may have a  
sample bottle and pamphlet both  
sent free by mail. Mention

address to Dr. Kilmer & Co., Bing-  
hamton, N. Y. The proprietors of

ness of this offer.

A lawyer in a court room may  
call a man a liar, scoundrel, villain  
or a thief, and no one makes a  
complaint when court adjourns.  
If a news paper prints such a re-  
flection on a man's character there  
is a libel suit or a dead editor:  
This is owing to the fact that the  
people believe what an editor says;  
what the lawyer says cuts no figure.
